

STYLISH NEW MANUFACTURER

AGOURA HILLS, Calif.—Yep Yup is a new company dedicated to merging the lives of pets and their parents through stylish design. Its first line of environmentally friendly pet accessories and home décor products includes collars and leashes, as well as feeding, storage and decorative home products

(including bedding). Yep Yup products are grouped by collection, and each collection includes a complete offering of coordinating products. All of the company's fabric products are produced in the U.S., and its ceramic products are manufactured in Asia.
